

EL CUADRADO - TRIANGULO

Traza con lápiz y reproduce la figura.

The image shows a 4x3 grid of squares. The first square in the top-left corner is a solid black square. The other 11 squares are dashed lines, each with a small black dot at the top-left corner and a downward-pointing arrow, indicating the starting point and direction for tracing the square's perimeter. The grid is enclosed in a rounded rectangular border with a dotted line.
